

GRANT OSWALD

Lynchburg, VA • 330-749-5642 • goswald416@gmail.com • www.linkedin.com/in/grant-oswald

EDUCATION

Bachelor of Science in Mechanical Engineering, Liberty University, Lynchburg, VA

Anticipated May 2028

- GPA: 3.6/4.0
- Relevant Coursework: Calculus and Analytical Geometry III, Technical Communications, Statics, Physics II

Bachelor of Arts in Biblical Studies, Liberty University, Lynchburg, VA

May 2025

TECHNICAL SKILLS

Software: Microsoft Office (Word, Excel, PowerPoint), SolidWorks, ANSYS Fluent

Programming Languages: MATLAB

Operating Systems: Microsoft Windows

Machines: OMAX Waterjet, CNC Router

CERTIFICATIONS

OMAX Waterjet

Mar 2026

COURSE PROJECTS

Mouse Trap Car

Fall 2025

- Collaborated with a team of 4 students to design and model in SolidWorks, and produce a mouse-trap-powered car to optimize speed, distance, and predictability for a class competition
- 3D printed and assembled parts to prototype car and reconfigured areas to optimize each assigned task

MATLAB Programming

Fall 2025

- Learned how to solve a wide variety of problems with MATLAB's built-in functions.
- Learned how to present and label data in a neat and concise manner.
- Gained experience with designing functions and algorithms designed to calculate simple and complex practical, real-world problems.

EXPERIENCE

Liberty University Formula SAE Racing Aerodynamics, Liberty University, Lynchburg, VA

Aug 2025 - Present

- Model and simulate iterations of aerodynamic components to maximize the aerodynamic efficiency of the car
- Organize and present simulation data to prove necessity and importance of components as designed
- Program CNC router to precisely manufacture component molds to ensure quality of final products

Baker/Shift Lead, Crumbl, Lynchburg, Virginia

Oct 2023 - Present

- Monitor stock of baked and unbaked desserts and ingredient inventory to ensure fresh products for all customers
- Manage time to ensure consistent availability of desserts as well as the completion of all closing tasks in an efficient manner
- Lead a group of 2-4 other employees to make sure that all necessary tasks are being completed

Outreach Intern, Grace Church Wooster, Wooster, Ohio

May 2024 - August 2024

- Meet with 10 local organizations to discuss renewed relationships or potential new relationships for community engagement
- Schedule 4 service projects in the area and provide volunteers at each to meaningfully reach community members and build rapport with our county
- Design and construct a kiosk and website for selling church merchandise within the church building to provide a more permanent way to raise funds for future and current projects

COMMUNITY OUTREACH

Volunteer, WorldHelp, Lynchburg, VA (30 hours)

Jan 2023 - May 2023

- Sorted and organized donated clothing by type and gender in order to allow efficient distribution in the future
- Collected and prepared envelopes to be mailed between orphans and sponsors
